NEW BUILDING

In containers this week, CSSC Huangpu Wenchong Shipyard confirmed taking orders for two firm 2,700 TEU Container vessels for their domestic customer CU Lines, with delivery of both vessels expected at the end of 2023.

In the Ferry market, MOL Ferry announced ordering two firm LNG dual-fuel, 15,700GT Car & Passenger Ferries at Naikai Zosen. Each Ferry can hold up to 157 passengers and 50 cars, with delivery of the vessels expected within 2025.

RECYCLING

Finally, Ships Aplenty?

And so it begins . . . it would appear the recent firmer rates are now attracting interest from several ship owners as we are hearing of more sales being reported and more units privately being worked, particularly those from the higher LDT sector.

Clients of PT Buana Lintas Lautan (BULL), Indonesia has this week continued their recycling program with the sales of three wet units, as reported below. They have achieved very impressive rates, as are most units currently being negotiated.

It would seem however that the rates have now 'peaked' and there may not possibly be further upturn closer to the USD 700/ldt due to the number of units now being discussed in the market. Some parties are questioning the levels being paid by the cash buyers and the concern is whether they are now at levels where they can be justified by the local markets and price levels on offer from the recyclers.
