Dry Cargo

As we move through the end of Q4, we see a seasonal uptick in transactions across several segments.

Chinese buyers are accelerating acquisitions ahead of the Lunar New Year, aiming to secure coverage during the upcoming holiday period, especially on larger ships. We are hearing several 15-year-old Capes are being negotiated to Chinese buyers, and we expect to be able to report further on this next week.

On the geared sector, we note the sale of the Supramax **WARIYA NAREE** (ABT 53K DWT, 2011, HINUSTAN) reported sold at USD 9.85 m. To compare, her one-year older sister vessel **WARISA NAREE** (ABT 53K DWT, 2010, HINDUSTAN), with better surveys position, changed hands last month at USD 9.5 m.

Furthermore, the OHBS Supramax **SUN MASTER** (ABT 50K DWT, 2011, OSHIMA) invited offers and we understand that have attracted interest from several parties, reflecting healthy appetite for Japanese built mid-age tonnage. In addition, the larger Supramax **CLARA** (ABT 56K DWT, 2008, I.H.I. YOKOHAMA) has also invited offers this week, and we expect to be able to report on the outcome shortly.

Tanker

On the wet side, there is a lot of Chinese demand for 20-year-old VLCCs, but available tonnage remains limited.

In the LR2 space, c/o Scorpio Tankers reportedly sold their **STI GALLANTRY** & **STI GOAL** (ABT 109K DWT, 2016, GUANGZHOU NANSHA) for USD 52.3 m each, replacing them with two scrubber-fitted LR2 newbuildings at Dalian Shipbuilding, for USD 70.8 m each basis Q3 2027 delivery.

On the MR sector, the **NORD SUPERIOR** (ABT 49K DWT, 2015, STX JINHAE) has changed hands to Chinese interest in the region of USD 33.75 m.
